MARIELA ANDREA CEPEDA
SYSTEMS ARCHITECTURE ENGINEER AT T-MOBILE

Good to be updated on the changes that have taken place. Top marks for 5G network courses, the instructor makes a dry subject really interesting and interactive, a good mixture of practical and theory with enough time to show with real tools.

JNANENDRAREDDY SURE
SENIOR MEMBER OF TECHNICAL STAFF

The basics and in-depth knowledge which he taught in course NR advanced have been amazing. I would say the best training I have enrolled in this Pandemic.

WAMIQ ULHAQ
5G-NR SYSTEM DEVELOPER ERICSSON

A very good training. The good quality of training is that it has so many pictures and the trainer is trying to explain everything in a very easy and understanding way.

PAMOSTANG SIMANJUNTAK
SOLUTION ARCHITECT AT AMDOCS

I recommend 5G WorldPro training such as 5G NR Advanced, 5G NR RF Planning, and 5G KPI Troubleshooting and Optimization, the contents are good, clear, and comprehensive.

BOLAJI BINUYO
TELECOMMUNICATIONS ENGINEERING STUDENT

I enjoyed 5G advanced course series with Mohammed, This video has given me a solid grasp on applications and the technologies of 3GPP standard.
